2. The Intentional STAZI LIKE CENSORSHIP , Propaganda , Brainwashing and SPYING on millions of Americans is the SOLE CAUSE of any Delay or Prolongment of this Cause.
3. It is the Unlawful Conduct, Evasiveness, Concealment, Dodging and Lies of the Defendants in this Cause that is the SOLE CAUSE of any delay or complication in this case. The longer the Defendants seek to EVADE and CONCEAL Their Unlawful and Unconstitutional Treason to the United States Constitution and the Laws and Constitutions of the 50 United States, it is the Defendants Causing all the Complication and Delays in this case, NOT Intervenor Witham.

The Defendants ILLEGAL UNLAWFUL UNCONSTITUTIONAL and IMMORAL Methods and Tactics of Brainwashing, Propaganda and Censorship are EXTENSIVE and exist far beyond what the State AGs of Missouri and Louisiana have delineated to this Court. See <https://www.google.com/search?q=Propaganda%2C+Censorship+Brainwashing+Mentiside>

The State AG's Causes fall immensely short of describing the Propaganda, Brainwashing and TOTAL BLACK OUT of expression and speech The Named Social Media Corporations engage in with the Agencies and Black Operations of the Corporate Controlled USA Inc.

4. Intervenor Witham is a Material Witness and has 100s of Journalists, Bloggers and Investigators that complain constantly about the Censorship going back to the year 1999 and even further.
5. The Social Media Corporations collusion with USA Inc. and the Biden Administration Et Al to Silence the Speech of Social Media Users to accomplish GOVERNMENT APPROVED expression policies VIOLATES the Freedom of Expression Laws and Precedents of a Vast Litany of First Amendment Mandates by the Courts of the United States and the Several States.
6. Intervenor is a Target of this Censorship and a Member of a Very Large Class of other MATERIAL WITNESSES that herein give NOTICE of being Victimized by Harmed By and Stripped of Their Rights of Free Expression by the USA Inc., The Social Media Corporations like META / FaceBook, YouTube, Google, Twitter, Yahoo etc etc.
7. NOTICE is herein Given of the existence of Millions of Material Witnesses and Victims of the Conduct complained of by the State of Missouri and Louisiana. The State AG's do not even name any of the Victims, Hardly Mention Them and Treat these Censored Individuals as if THEY DO NOT EVEN REGISTER. This Court is now trying to STOP this Reality from being heard.
